RUNNERS OPPOSE THE ELEMENTS BY REVERSING COURSE

The 2nd Annual "Wring Out the Old, Ring In the New" Trail Run, Dec. 31, 2000

Creek Road Runners **Mark Deshon**, **Bob Bennett**, **Charlie Riordan**, and **Vic Kaliakin** brave the cold temperatures and biting wind chills with a salute to 2001. In light of the bitter conditions, the quartet made a tactical decision to run the course backwards (as opposed to running backwards on the course). Ah, if we could only reverse time the same way. They were literally blown through the last half mile; **Mark** even took off his jacket to use as a makeshift sail.
