VENI, VIDI, VICII!
(IT WAS WARM, IT WAS FOGGY, IT WAS MUDDY!)

Survivors of the 4th Annual "Wring Out the Old, Ring In the New" Trail Run

Creek Road Runners (below from left) **Jerry Kauffman**, **Vic Kaliakin**, **Bob Bennett**, **Mark Deshon**, **Matt Robinson**, and **Skip White** all got down and dirty with this year's edition of a tradition begun pre-2K. While they cooled down after the run, they spotted someone off in the distance coming down the trail on which the run began. It was none other than **Steve Goodwin** (lower right), who did his own version of the run, having arrived late due to the bad directions from another Creek Road Runner, who shall remain nameless.

Above set: To the Victor (second from left, along with Jerry, Bob, Mark, Matt, and Skip) belong the spoils.

Left: Vic escorts Skip and Matt to the end of the run.

Right: "Hey, that looks like Steve.... It is Steve! What's he doing goin' the wrong way?"
