## **BEST WEATHER DAY YET FOR ANNUAL DEC. 31 RUN**

### **Survivors of the 5th Annual "Wring Out the Old, Ring In the New" Trail Run**

Creek Road Runners **Steve Tague**, **Skip White**, the colorful **Vic Kaliakin**, **Bob Bennett**, **Bob Opila**, and **Mark Deshon** salute the new year 2004 before preparing to wring out the old.

Actually, **Steve Tague** got there late, as part of his own duathlon (he biked to and from Fair Hill), and had to catch the other five as they faded into the north horizon about a hundred yards up the trail. **Vic Kaliakin** was nearly scared out of his Mizunos when he heard someone breathing heavily behind him, as Steve caught up a mile into the run.

A good time was had by all, and several Munchkins™ by a few.
