ANNUAL DEC. 31 RUN SAW WARM TEMPS, LOTS OF DEER, AND MUNCHKINS Survivors of the 6th Annual "Wring Out the Old, Ring In the New" Trail Run

Creek Road Runners **Matt Robinson**, **Charlie Riordan**, **Skip White**, **Vic Kaliakin**, **Bob Opila**, and **Mark Deshon** salute the new year 2005 before preparing to wring out the old.

the "pot of gold" at the end of the run

There were many more deer than runners out today. About halfway through the run, these intrepid six were treated to a herd of 13 deer crossing the road just in front of them. **Charlie Riordan** and **Mark Deshon** startled four others later in the run as they (Charlie and Mark) climbed the big hill.

A good time was had by all, and several Munchkins™ by a few.
